EDUCATION

SAVANNAH COLLEGE OF ART AND DESIGN
SCAD | SAVANNAH, GA
Graduation | May 2019
BACHELOR OF FINE ARTS | Interior Design
Minor: Architecture

CERTIFICATIONS

NCIDQ - Council for Interior Design | 2023
NCI - National Charrette Institute | 2017

SOFTWARE

Revit
Lumion
Enscape
SketchUp
AutoCAD
ArchiCAD
Adobe InDesign
Adobe Photoshop
Adobe Illustrator
Microsoft Office
Bluebeam

DESIGN SKILLS

Furniture Specification
Digital 3D Modeling
Drawing - Commission Art
Concept Development
Architectural Drafting
Site Analysis
Time Management
Organization
Detail Oriented

PROFESSIONAL EXPERIENCE

Architectural Design Collaborative | Interior Designer | Feb 25

- Assisted in design of large confidential theme park attraction through the selection of finishes/materials, creation of construction documentation set from schematic design to completion, and collaboration of multi-disciplines to coordinate complete package
- Space planned office spaces and selected products and finishes for Orange county projects

THG Creative | Show Set Designer & BIM Manager | Jul 23-Nov 24

- Lead team of designers to create and manage Revit projects
- Create Revit packages for all phases of design for theme parks
- Teach Revit program and techniques to staff as well as develop better methods for efficient progression of packages
- Collaborate with design and application of codes to show set designs
- Create interior layouts and mood boards for food and beverage venues and retail within theme park

BRPH | Interior Designer II | Mar 2022-Jul 2023

- Support senior design staff on hospitality projects
- Teach and mentor other staff members on Revit methods, techniques, and use
- Construct concept boards and presentations utilizing InDesign
- Develop construction drawings in Revit
- Write furniture specifications utilizing SpecSources
- Involved in all stages of design from concept to completion

Innovations Design Group | BIM Coordinator | Apr 2021-Feb 2022

- Create Revit models for area development, landscape architecture, and urban planning
- Develop, update, and maintain company BIM standards and company specific Revit templates
- Landscape modeling and utilization of Revit topography tools to develop site designs
- Render perspectives modeled in Revit through Lumion

HKS Inc | Design Professional I Interior Design | Jul 2019 - Apr 2020

- Created furniture specifications and coordinated upholstery selections for a multi-million-dollar, multi-phased project
- Reviewed and red-lined dealer bids, quotes, re-submittals, and RFI's
- Created final selection presentation finish boards
- Concept development for interior clinical spaces
- Created interior visualization via 3D modeling in Revit and rendering through Enscape and Photoshop
- Assisted in finish selections, collected finish samples and all material pricing for Large South Florida Hospital renovation and addition
- Collaborated with a team of designers in the completion of construction documentation sections via Revit for a Large South Florida Hospital renovation and 300,000+ sq ft addition
- Scope analysis and meeting with client for the redesign of central Florida hospital corridor and lobby
- Completed furniture punch for a build-out of a shelled hospital floor

Universal Creative | Show Set Design Intern | Summer 2017

- Worked independently to create story boards for transition spaces utilizing tunnels and special effects to relate conceptual user experiences using digital painting in Photoshop
- Modeled environments and interior spaces in SketchUp through referencing of specific movies and descriptions
- Assisted with production of final Project Package utilizing AutoCAD
