EDUCATION

SAVANNAH COLLEGE OF ART AND DESIGN
SCAD | SAVANNAH, GA
Graduation | May 2019
BACHELOR OF FINE ARTS | Interior Design
Minor: Architecture

CERTIFICATIONS

NCI - National Charrette Institute | 2017
In Pursuit: NCIDQ - Passed IDFX
WELL AP
LEED

SOFTWARE

Revit
Lumion
Enscape
SketchUp
AutoCAD
ArchiCAD
Adobe InDesign
Adobe Photoshop
Adobe Illustrator
Microsoft Office
Bluebeam

DESIGN SKILLS

Furniture Specification
Digital 3D Modeling
Drawing - Commission Art
Concept Development
Architectural Drafting
Site Analysis
Time Management
Organization
Detail Oriented

PROFESSIONAL EXPERIENCE

BRPH | Interior Designer II | Mar 2022-Current

- Support senior design staff on hospitality projects
- Teach and mentor other staff members on Revit methods, techniques, and use
- Construct concept boards and presentations utilizing InDesign
- Develop construction drawings in Revit
- Assist in in both new build and renovation of hotels and timeshares utilizing brand standards
- Write furniture specifications utilizing SpecSources
- Involved in all stages of design from concept to completion

Innovations Design Group | BIM Coordinator | Apr 2021-Feb 2022

- Create Revit models for area development, landscape architecture, and urban planning
- Develop, update, and maintain company BIM standards and company specific Revit templates
- Manage and maintain project content and source any additional content as required
- Set up linked models and coordinate models across disciplines
- Perform daily Revit model management, administration, and maintenance
- Landscape modeling and utilization of Revit topography tools to develop site designs
- Render perspectives modeled in Revit through Lumion
- Manage and collaborate project changes through Bluebeam studio sessions and markups

HKS Inc | Design Professional I Interior Design | Jul 2019 - Apr 2020

- Created furniture specifications and coordinated upholstery selections for a multi-million-dollar, multi-phased project
- Reviewed and red-lined dealer bids, quotes, re-submittals, and RFI's
- Created final selection presentation finish boards
- Concept development for interior clinical spaces
- Created interior visualization via 3D modeling in Revit and rendering through Enscape and Photoshop
- Assisted in finish selections, collected finish samples and all material pricing for Large South Florida Hospital renovation and addition
- Collaborated with a team of designers in the completion of construction documentation sections via Revit for a Large South Florida Hospital renovation and 300,000+ sq ft addition
- Scope analysis and meeting with client for the redesign of central Florida hospital corridor and lobby
- Designed and developed multiple corridor floor patterns
- Completed furniture punch for a build-out of shelled hospital floor
- Created a client presentation template utilizing InDesign

Universal Creative | Show Set Design Intern | Summer 2017

- Worked independently to create story boards for transition spaces utilizing tunnels and special effects to relate conceptual user experiences using digital painting in Photoshop
- Modeled environments and interior spaces in SketchUp through referencing of specific movies and descriptions
- Assisted with production of final Project Package utilizing AutoCAD

HONORS & AWARDS

- Tau Sigma Delta School of Building Arts Honors Society | 2017-2019
- SCAD Dean's List | 4.0 GPA | Fall 2015 - Spring 2019
